Title: Compendium of Financial and Economic Laws and Decrees of the East China
Region (First Series, Vol I)

Editor: Hua-tung Chun-cheng Wei-yuan-hui Ts'ai-cheng Ching-chi Wei-yuan-hui

Publisher: Hua-tung Jen-min Ch'u-pan She, Peiping, 1951

Sponsor or

Issuing Authority: Committee on Finance and Economics, East China Military and
Administrative Committee

No. Pages: 1018

Language: Chinese

Area of Coverage: China, East China Administrative Area

Subjects Covered: National budget (public finance); monetary and banking policy;
international and domestic trade.

Scholarship Evaluation: Scholarly compilation of basic economic laws and decrees
that form the legal basis of the Chinese Communist economy

Review: An excellent collection of economic and financial laws and decrees re-
lating to the Chinese Communist economy. These laws and decrees of the
Government Administration Council, the East China Military and Adminis-
trative Committee, and the major municipalities provide comprehensive
source materials for the study of Chinese Communist economy. In addi-
tion, the volume includes important policy statements made by leading
party officials.

The title of the collection is misleading, since virtually all the
laws and decrees are from the Government Administration Council but were
announced by the East China Military and Administrative Committee; they
constitute the bulk of the material.
